ATS FINDINGS ❓

SKILLS AND KEYWORDS ❓

✖   You are missing **8 important high-value skills** on your resume.
For example, *cloud* appears on the job description 3 times and is not on your resume.
You are additionally missing 17 hard and soft skills. View your missing skills below.

JOB TITLE MATCH ❓

✖   The *'Software Engineer'* job title provided or found in the job description was not
found in your resume. We recommend having the exact title of the job for which
you're applying in your resume. This ensures you'll be found when a recruiter
searches by job title. If you haven't held this position before, include it as part of
your summary statement.
